Hi Annie,

Would it be possible to have a copy of the public comment submitted to the School Committee before both of its meetings last week?

Best,

Greta

Hi Greta,

These are as many as I can lay my hands on right now. There may be some in my inbox that I didn't file yet (I'll send them as I come across them) and of course I know a lot more letters were sent to School Committee Members that I did not receive. The first document is a compilation of those that came in an email (and not in an attached document) and the other two are single letters. These are just the ones from the October 20th and 22nd SC meetings, there are plenty from the October 8th meeting as well as comments from September. I'll get those to you soon. As you can imagine with four negotiating subcommittee meetings and two special SC meetings this week I'm a little out over my skis. I'll keep a list and send you the rest of what I have in the next few days.

Also keep in mind that a good number of the people who sent letters also spoke in the public comment section of the meetings.

Hope this helps,
Thanks, Annie
